

DISASTER RELIEF

DISASTER PREPAREDNESS

Matthew 25: Ministries is constantly monitoring its readiness to meet the needs of sudden disasters. This includes maintaining the facilities and resources needed, as well as being ready to engage disaster relief volunteers from the local community.

In order to provide the most effective and efficient response possible, we presort and package all items so that they are ready for immediate distribution upon arrival.

OUR DISASTER RESPONSE

Matthew 25 has responded to a wide variety of natural disasters including:

- Cyclones
- Earthquakes
- Floods
- Droughts
- Wildfires
- Hurricanes
- Tornadoes
- Tsunamis
- Typhoons

Matthew 25: Ministries is constantly monitoring weather systems worldwide, so our Disaster Response Team is aware of potential threats ahead of time. This information helps our team activate within hours of an event and often appear on-site within days of a disaster occurrence.

Matthew 25's focus during disasters is typically on moving large amounts of aid into the affected area. When our Disaster Response Team deploys, we utilize a fleet of specialty vehicles to distribute initial loads of aid and set up distribution channels for future shipments.
