

GLOBAL VILLAGE

GLOBAL VILLAGE EXPERIENCE

The Global Village is an interactive opportunity for children and adults of all ages to gain an understanding of living conditions in desperately needy locations here in the U.S. and around the world. It provides opportunities to:

- Experience the lifestyle and living conditions of the poorest of the poor and disaster victims.
- Understand the role Matthew 25: Ministries plays in improving these desolate circumstances.
- Appreciate the impact even a single individual can have on these conditions through service and volunteerism.

BEYOND THE TOUR

Outreach and education are key components of Matthew 25: Ministries' ongoing commitment to the local community and the poor of the world. The Global Village is a unique educational exhibit for guests, which promotes global citizenship and humanitarianism. After touring the Global Village, guests can immediately take an active role in helping the poorest of the poor by volunteering in Matthew 25's Processing Center.

The Global Village Experience includes these main stations and scenarios:

- **The Media Room** encourages guests to reflect on the ways they typically first find out about natural disasters.
- **The Disaster Rooms** display artifacts gathered from real-life disasters, showcasing devastation caused by natural disasters.
- **Scenes of Poverty** show the difficult living conditions that many endure here in the U.S. and around the world.
- **The Samaritan's Walk Room** encourages guests to respond personally to the previous scenes by helping people in need.
- **The Shipping Container** offers guests the opportunity to view an orientation video about Matthew 25 and our work with those in need.
- **The Hut Room and Historical Reflection Room** provide visual representations of Matthew 25's impact around the world.

The Global Village also features the beautiful sculpture "Homeless Jesus", which is a visual representation of Matthew 25's work with the poorest of the poor and disaster victims.

We encourage volunteers to bring a quarter through the exhibit and contribute to our **4 Quarters of the World** display, showcasing the worldwide impact of every quarter donated and every volunteer hour served.
