

UKRAINE RELIEF

MAY 2022

OUR RESPONSE

People in war-torn parts of Ukraine have almost no access to basic necessities such as water, heat, food, and medical supplies. Those who have fled – either to other countries or to western Ukraine – have had to leave their homes, possessions, and even loved ones, often at just a moment’s notice. More than ten million people have been displaced from their homes, and this number continues to rise.

With the help of our generous donors and volunteers, Matthew 25 is responding. We had supplies on the ground prior to the invasion, ready for immediate distribution. Since the end of February, we have implemented a multi-faceted response, including shipping aid into the affected areas, funding the purchase and delivery of additional supplies within the region, and supporting specific programs and needs of our on-the-ground partners. During this initial phase, we are helping approximately 1 million refugees, orphans, internally displaced people, and others affected by this crisis.

The stories coming out of various parts of the country are harrowing and hair-raising. You are bringing them much-needed aid. You are saving people from starvation.

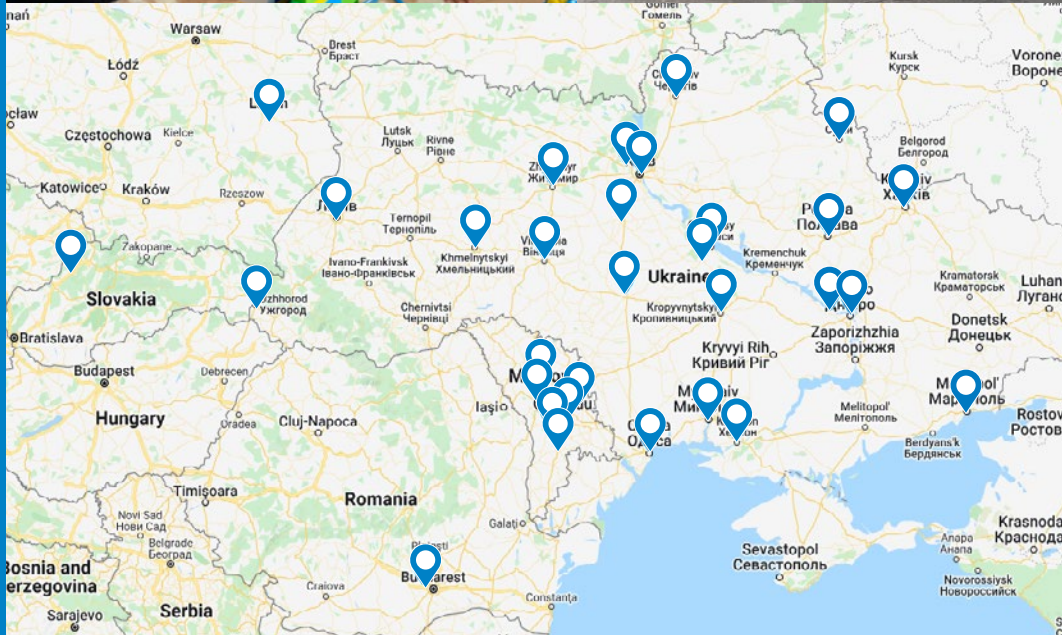

DISTRIBUTION PARTNER

OUR REACH

For years, Matthew 25 has worked with several partner organizations that serve Ukraine and nearby areas. Since the invasion began, we've been able to work with these same partners, as well as new ones, to get supplies into the hands of those affected quickly and efficiently.

Our aid is assisting people in more than 20 cities throughout Ukraine, as well as Moldova, Romania, Poland, and Slovakia, and is being distributed through refugee centers, orphanages, medical facilities, churches, and other organizations serving those in need.

It took us 16 hours to get here after the night of February 24-25 when the shelling of the area where we lived began. Here we have clean bed linen, hot water, and all the conditions for a normal life. We are deeply grateful to you. May God bless you all and give you a hundredfold!

RECIPIENT

RELIEF SUPPLIES AND PROGRAMS

Helping approximately 1 million people, including refugees, orphans, internally displaced people, and others in need.

Providing approximately 420,000 nutritious meals for refugees.

Assisting more than 20 cities throughout Ukraine, as well as nearby countries, including Moldova, Romania, Poland, and Slovakia.

Providing 3 forklifts to an on-the-ground partner, speeding up distribution of desperately-needed aid to people in Ukraine.

Shipping more than 300,000 pounds of aid from Matthew 25: Ministries to Ukraine and surrounding countries, including first aid supplies, personal care products, baby supplies, and other aid.

Purchasing a generator and fuel for an orphanage which houses approximately 120 children in Ukraine – helping better care for the children and improve living conditions.

Purchasing and delivering hundreds of thousands of pounds of additional supplies within the region.

Supporting food, shelter, and medical care programs for refugees in Lviv, Ukraine; relief programs for refugees in surrounding countries; and educational services for children fleeing conflict.

ONGOING RESPONSE

This situation is urgent. We are continuing to work to ensure our partners in the area have the supplies they need to serve those who are suffering. Matthew 25 will be providing aid to partners in the affected region for years to come. Thank you for your support and for helping us care for those who have suffered such incredible loss. Your generosity makes an impact on the lives of others.
