

LOCAL IMPACT

GREATER CINCINNATI OUTREACH PROGRAM

This program works with hundreds of partners in the Greater Cincinnati area to meet the needs of residents in two focus areas: the Fresh Food Focus, which provides fresh and nonperishable food to pantries and shelters and the Essential Supplies Focus, which serves our community partners with basic necessities that help provide an enhanced standard of living for recipients.

VOLUNTEERISM

Individuals of all ages, levels of health, and physical and mental capabilities can volunteer at Matthew 25: Ministries and gain an active, educational experience. Please check our volunteer webpage m25m.org/volunteer for the most current information on volunteer hours and guidelines.

DISASTERS

In times of disaster, Matthew 25 is where our local community turns as a resource for action. The people of the Greater Cincinnati area respond generously with product donations, volunteer hours, and financial gifts.

EDUCATION

Matthew 25's Global Village Experience fulfills our commitment to education, allowing visitors to experience the living conditions and lifestyles of the poorest of the poor and disaster victims.

CORPORATIONS

Many local corporations utilize Matthew 25 as a way of avoiding the expense and environmental impact of landfilling. Through these and other U.S. corporations, Matthew 25 saves millions of pounds of product from the landfill each year.
